Dear Brethren,

RE: AWR SHEKINAH 106.6 FM & MEDIA MINISTRY SABBATH - 18TH JULY 2026

Reference is made to a letter dated 12/1/26 on Radio Shekinah FM, where updates were made on the state of our radio.

One of the items in the aforesaid letter was the requirement for us to put up a new studio at the KCF headquarters as we await new equipment from AWR.

Coming up with this fully fledged studio and related works will require approximately KSh 9 million. It has been voted that owing camp meeting season, we will not in the interim ask churches to collect an offering but allow them concentrate in preparing for the camp meeting. In the meantime: -

1. On 18/7/26, being Media Ministry Sabbath, promotions KCF-wide will be done to help members appreciate the media ministry (more specifically Shekinah FM). Preachers will be sent to churches. No other event should over shadow this.

NB: Communication Secretaries should prepare to project a documentary we are preparing which will form part of the divine service.

2. We intend to collect phase 1 of KSh 5.5 million which will be distributed among the churches (goals are hereby attached), and those who will desire to begin the collections on 18th July will be at liberty to do so, otherwise after each church's camp meeting plans should be made to collect the said offerings and 24/10/26 should be the last day to collect and forward these funds.

Yours in His vineyard,

For: Pr. James kioko

COMMUNICATION DIRECTOR
